2026 BOWRAL CLASSIC
CELEBRATING 10 YEARS

SUNDAY, 18 OCTOBER 2026

bowralclassic.com.au/community

CHANGED TRAFFIC CONDITIONS

The Bowral Classic is a road cycling event that showcases the region's stunning landscapes, with participants riding through Bowral, Berrima, Moss Vale, Bundanoon, Fitzroy Falls, Robertson, Glenquarry and surrounding areas across three courses.

Motorists travelling within the region on event day are encouraged to take extra care, be patient, and remain mindful of cyclists sharing the road.

NSW Police and event officials will be present throughout the day to assist with traffic management and help ensure all road users observe road rules.

The event attracts riders and visitors from across Australia, many of whom stay within the Southern Highlands across the weekend, providing valuable support to local accommodation providers, cafés, restaurants and businesses.

We thank residents for their patience and support as we deliver this community event and welcome visitors to the region.

A special thank you to Wingecarribee Shire Council, Destination NSW and NSW Police for their ongoing support and assistance.

To view detailed road closure maps online, visit bowralclassic.com.au/community or email info@cyclingclassics.com.au
